

27 November 1978

MEMORANDUM FOR THE RECORD

SUBJECT: CIA's Comments on Moscow Security Program

STAT

1. [] returned both the original draft and State's revision. In compliance with my request, they had reviewed for accuracy and to provide the benefit of their wisdom to the effort.

2. There were a few marginal notes from the Technical Officer but no official return comments.

3. I checked, subsequently, with [] to see if a formal reply was enroute. He said no. SE had no objection to the proposal.
